IT IS STIPULATED, by and between the parties, through their respective counsel of record, that the time for Defendant to file his response to Plaintiff's motion for summary judgment be extended thirty (30) days, from the original deadline, such that Defendant's new deadline, with the Court's approval, will be March 22, 2021. This is Defendant's first request for an extension of time. Defendant needs additional time to file his response to Plaintiff's motion for summary judgment due to Defendant's counsel's conflicting deadlines in other matters and the challenges of working from home with two young children during the pandemic. With the Court's approval,

the parties further stipulate that all other dates in the Court's Scheduling Order be extended accordingly.

Respectfully submitted,
